V. B. PALMER'S

UNITED STATES

COLLECTION AGENCY,

N. W. Cor. of Third & Chestnut Streets,

Philadelphia,

SECOND STORY—NORTH ROOM—ENTRANCE ON THIRD STREET.

THE superior facilities presented for the transaction of business abroad, consist in the arrangements subsisting between this Agency and Gentlemen of the Bar, of high respectability in the cities and principal towns of the several States, in whose range of practice the several collection districts of the United States are embraced.

1. Notes, Book Accounts, and Claims of every description are collected, citations served, taxes paid, and business of all kinds transacted which may require the services of attorneys, in any part of the United States.

2. Each claim is carefully examined at the Agency by a competent attorney, and every suitable preparation made to send it in a proper shape for speedy collection, thus preventing the usual delays which a want of knowledge of legal technicalities frequently occasions.

3. A constant correspondence is kept up with the attorneys connected with the Agency, enabling parties at all times to learn the progress of the several cases in which they are concerned, without incurring the burthen of writing, as is necessary in the ordinary modes of transacting business in different sections of the country.

4. New claims being constantly forwarded to the several attorneys connected with the Agency, operate as the strongest incentive to diligence, and are calculated to insure prompt attention to all business placed in their hands. This is an important feature of the system, and commends it to those who have a single claim, or but few in any one place.

5. The cost through this Agency is in no respect increased beyond the ordinary charges of the section of country in which the business shall be transacted; the particulars of which will be furnished on application at the office.

6. Any number of claims, in different sections, are proceeded in at the same time, and all brought to a settlement at the earliest possible period.

7. Testimonials or references of the reputation and standing of the several attorneys connected with the Agency, are on file, subject to examination.

Every information in relation to the Agency, will be cheerfully communicated on application at the office.

PECULIARITIES.

The advantages held out by "The Equitable," will be found most favourable to the assured, and such as are afforded by no other Life Insurance Company in the United States.

The premiums are lower, and the conditions in the policy are less onerous to the assured, than in other offices. The travelling leave is most extensive and liberal.

The age of the assured is admitted on the policy, which can only be vitiated by fraud.

The Company are satisfied if the party assuring the life of another had, at the time of affecting the assurance, a *bona fide* interest in the life.

The policy is assignable *without* the consent of the Company.

If the party assured die in a duel, by his own hand, or under sentence of the law, such death will not invalidate the policy, except so far as it was the property of the deceased at the time of his decease.

By the Half-credit rates of Premiums, a creditor may assure the life of his debtor without paying more than is actually necessary to cover the risk.

Persons insured for life can, at the *commencement*, *borrow* half the amount of annual premium, and claim the same privilege for *five* successive years without security or deferred note.

Married women and female children can insure the life of either a husband or parent free from the claims of creditors.
